

Financial Policy

In order to keep our fees stable and minimize our costs we have adopted the following financial policy:

- Your portion is due at time of service.
- We always welcome your payments in cash or personal checks. As a convenience to our patients we also accept Visa, Mastercard, Discover, and American Express. There will be a \$15 fee for returned checks.
- We will submit your insurance claims to your insurance company as a courtesy to you. Eligibility and benefit verification is not a guarantee of payment. All claims are subject to medical necessity & policy limitations according to your insurance company. Your outstanding balance is due regardless of the status of your insurance claim. This amount is your responsibility.

A Word About Insurance

Please contact your insurance company to determine how you may be reimbursed or covered for a service provided by our office. We have found that insurance companies respond best to questions directly from you, their consumers.

We will send you a monthly statement that will reflect any payment received from your insurance company. Most insurance companies will respond within 4-6 weeks. We are happy to work with you to help in getting your claim paid in a timely manner.

We ask you to sign our Financial Policy reflecting acknowledgment and understanding of this policy.
